

Feel Sick: An In-Depth Look at the History and Subcultures of Heavy Metal Music

About the Book

DJ Corchin's book, *Feel Sick*, is an in-depth look at the history and subcultures of heavy metal music. The book is full of interviews with

musicians, photographers, and fans, and it provides a unique perspective on the genre.

Corchin begins the book with a brief history of heavy metal, tracing its roots back to the blues and rock and roll music of the 1950s and 1960s. He then goes on to discuss the various subcultures that have emerged within the heavy metal community, including the headbangers, the thrashers, and the black metalers.

Corchin also explores the relationship between heavy metal and violence. He argues that while heavy metal music can be aggressive and even violent, it is not inherently evil. In fact, he argues that heavy metal can be a positive force in people's lives, providing them with a sense of community and belonging.

Reviews

"Feel Sick is a must-read for any fan of heavy metal music. Corchin provides a comprehensive and insightful look at the genre, and he does so with a passion and enthusiasm that is contagious." - All Music Guide

"Corchin's book is a valuable contribution to the literature on heavy metal music. It is well-written, well-researched, and full of insights that will be of interest to both scholars and fans." - The Journal of Popular Music Studies
