From Doctor to Patient is a powerful and inspiring memoir by Dr. Suzanne Koven about her experience with a rare and debilitating illness that left her bedridden and unable to practice medicine. It is a story of hope, resilience, and the power of the human spirit.

Dr. Koven was a successful family physician when she was diagnosed with a rare autoimmune disease that left her with debilitating fatigue, pain, and cognitive impairment. She was forced to give up her medical practice and spent years bedridden, unable to care for herself or her family.

But Dr. Koven refused to give up. She sought out alternative treatments, worked with a team of supportive doctors, and never lost her hope for recovery. Slowly but surely, she began to regain her health and her life.

From Doctor to Patient is a beautifully written and deeply moving memoir that will inspire readers of all ages. It is a story of hope, resilience, and the power of the human spirit.
